Highlights

Adjustable grinder

5 adjustable grinding preferences, from the finest for a full bodied espresso to the coarsest for a lighter coffee.

Adjustable spouts height

The right temperature and never any splashing thanks to our adjustable spouts that always guarantee a perfect distance between them and your cup.

Dishwasher-safe drip tray-part

You can comfortably put the drip tray and servings container in your dishwashe, giving them a perfect time-saving clean.

Fully automatic rinsing

Easy maintenance, long-lasting performance and always the best result in the cup are ensured thanks to our fully automated rinsing and de-scaling program.

Memo function

You will always get a perfect cup brewed just for you, according to your personal preference, thanks to our Memo function with adjustable length. Pressing a button is all you'll need to do to enjoy a superb beverage.

Metal grinders

Our metal grinders always ensure you an impeccable grinding.

One click removable group

The brewing group – a Saeco invention- is the heart of our machines, ensuring that the machine makes everything on its own. Thanks to its easy access, you can effortlessly remove it for regular cleaning with just one click.

Quick heat boiler

Our heating boiler technology is super-fast, allowing immediate brewing of each cup of coffee beverage one after the other.
